Encampment, WY**  
MLS#20102383

Total Sq. Ft. = 1000  
Year Built 1950

Great located cabin in Encampment, WY. Situated on six city lots provides lots of possibilities and room to expand. This older retreat has been barely started on the property but not complete. Water & sewer in place to cabin. Electric, phone & propane are needed to service the land. Rock fireplace. One large open room in cabin with loft area that is accessible by a step ladder.
